Please read *at least* two books
of your choice:

1 fiction
&

Select books at your individual

Take brief notes on details of
character, setting, plot, conflict, and
“the big idea” while reading your
novel. For your nonfiction selection,
write down 10 fascinating facts that
you learned about the subject. When
you return to school, be prepared to
do a short assignment or participate
in a discussion about your subject.
